# **DIABLO ASSEMBLIES**

The D.A. was a tremendous success. Selected juniors and seniors were invited from San Ramon High, Monte Vista, and Cal High. Everyone got all dressed up and had a great time. There was dancing with the music performed by an excellent band called SAZ.

### Watching the Football Game

A favorite pastime of the Cal High students, Faculty and supporting parents is to go and watch the Mighty Grizzlies play football. The fans assembled this year for the first time on our very own football field! Home games at last!

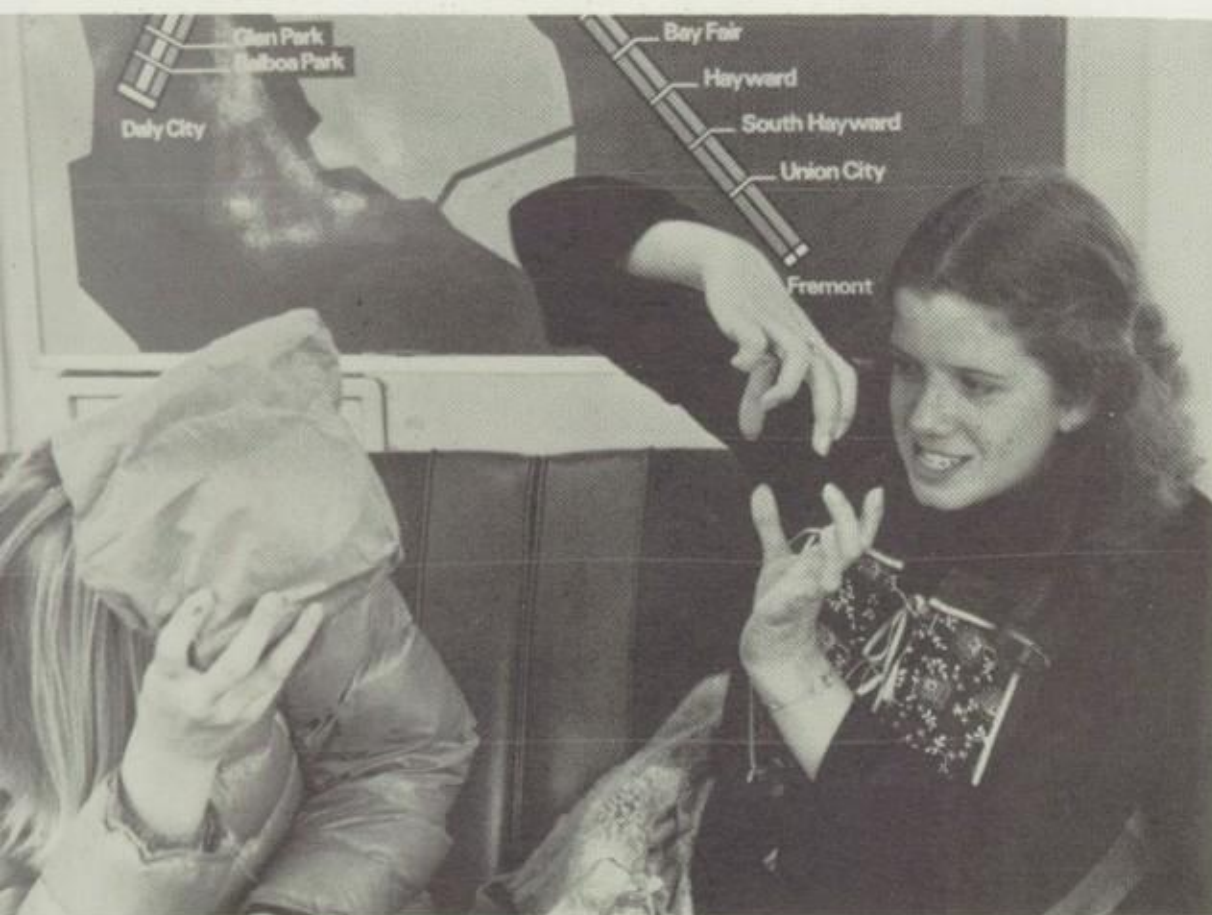

The Cal High crowd is a Spirited, ambitious group. The football team had a lot of support from the school this year. Thanks to all who came and cheered them on!!!

# MGM FIELD TRIP

#### MGM FIELD TRIP

On Monday Feb. 27 MGM students went to San Francisco to see the ACT production of **Hotel Paradisio**. They rode BART into the city and then ate lunch in Union Square. After lunch, they went to the play and then took BART home. They were accompanied by Mrs. Boss, Mr. Hall, Mrs. Shipley and Mrs. Harris.

CAL HIGH

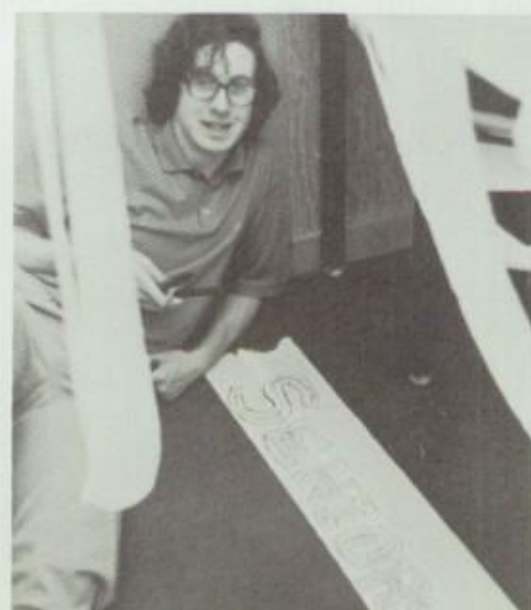

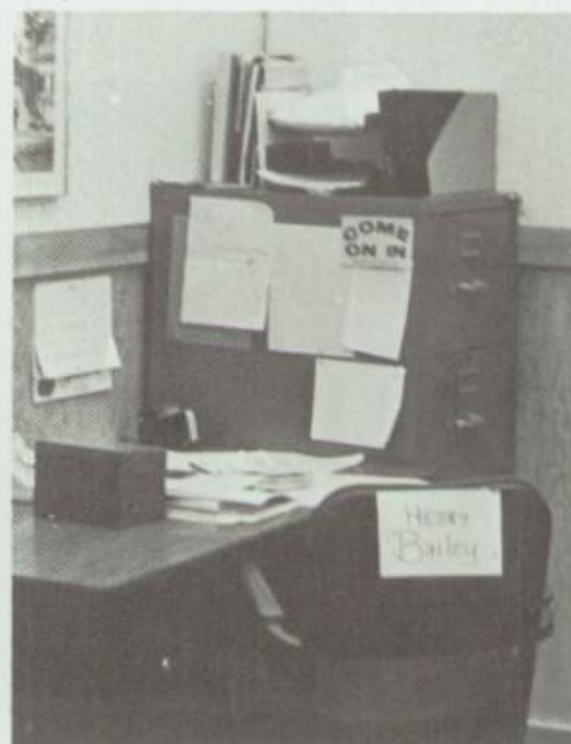

# THREE LITTLE INDIANS INC.

Three Little Indians Incorporated is Cal. High's official exterior decorator. Founded in October of 1977, this organization specializes in automobile mummification and tree streamers.

Their work has received great acclaim from art critics throughout the world. They only hit the quality homes in the valley. As a matter of fact, it is high status to be hit by this spirited group.

Sooner or later . . . they're gonna get 'CHA. The Indians are Gordon (Magic) West, Doyle (Hoop) O'Regan, Pat (Over the tree's) Croak.

# FOREIGN EXCHANGE STUDENT

Susanna Loven spoke at the Swedish International day. She is an exchange student and she spoke about the customs of her country while Swedish food was served for all of the guests attending the presentation. Those who were involved found it quite informative and interesting.

Thanks Susanna!

# RALLIES

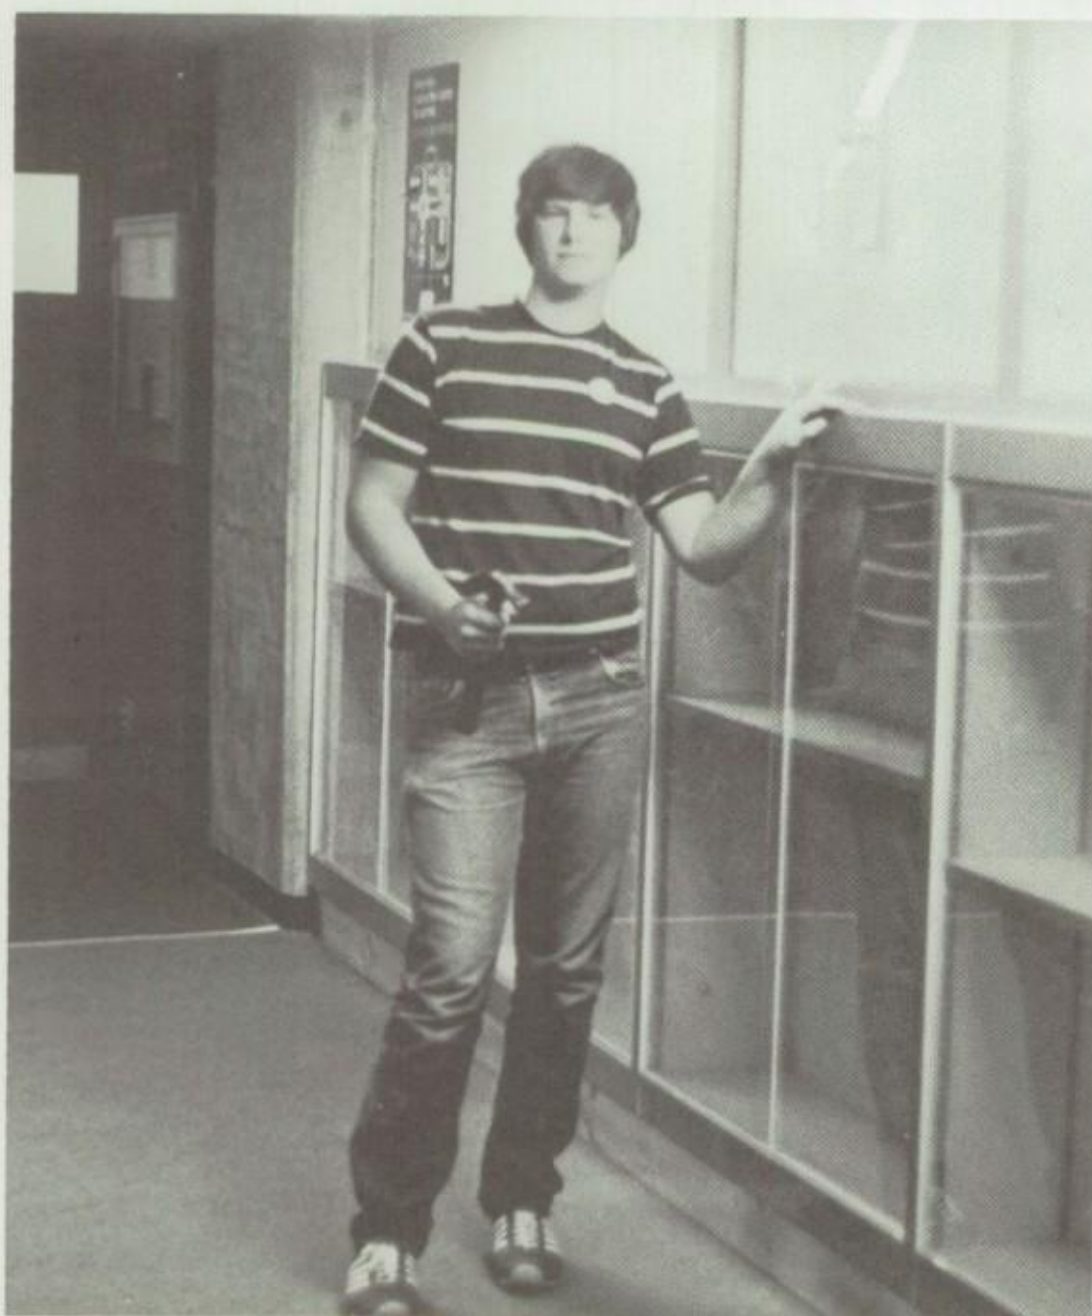

California High's Spirit this year was fantastic. The class competition, a variety of skits and the fantastic routines and cheers put on by the Song Girls, Cheerleaders, and Letter Girls, brought our school to great victories. And everyone enjoyed themselves to the fullest extent.

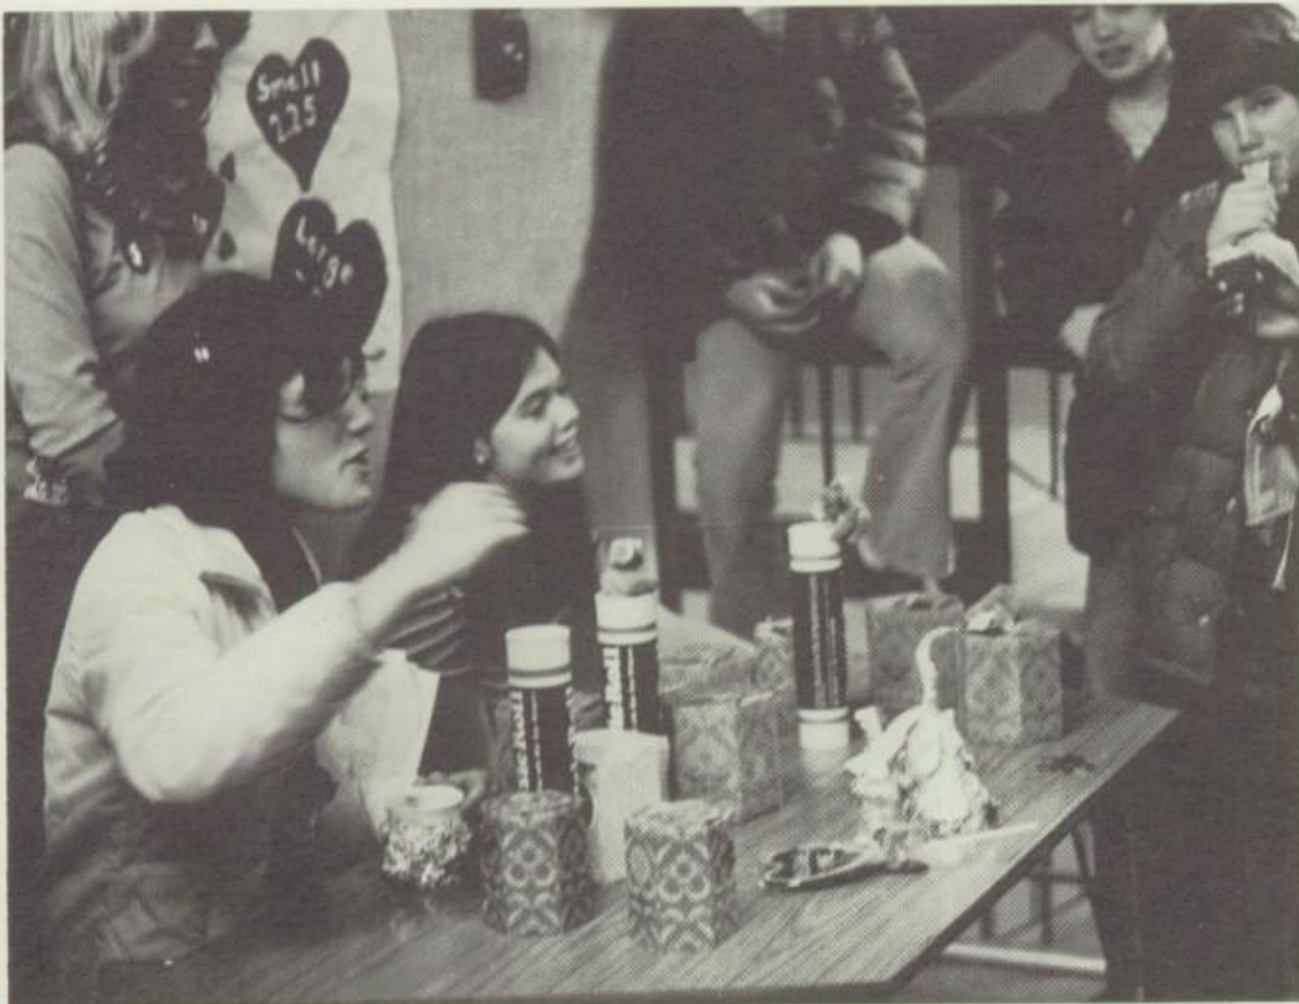

Moose (Kevin Baird) has been a dedicated senior in helping out with the brand new sign that has been put out in front of our great high school. And also built in a brand new Trophy case. Thanks for the great work you and your friends did for Cal. High.

### **Cal High Band Candy Sale**

The band had a candy sale on the week of Valentine's Day. It was a great success! They sold large 12 oz. chocolate kisses and small 5 oz. kisses. Koala Bears and Valentine suckers were also sold. The money is going to be used to buy new instruments.

### **Paper Football**

This year, the Career Center held a paper football contest for eighth and ninth graders. There were eleven teams to begin with and by process of elimination, two people were left, Mike Olhmeyer and Steve Jacobson. After a week of skill and patience, Steve Jacobson won the title.

#### MOUNTAINEERING CLUB

A new club was established for the first time this year at California High, inspired by Shirley Tranter. The name of this new club is the Trial and Error Mountaineering Club and it consists of Mrs. Tranter and six daring students. The purpose of this unique club is to take different trips to practice what, according to club president D. Ray Pemberton, many people think is insane. The club members will all agree that it is one of the most exciting, and tiring sports. Climbing vertical cliffs is a favorite activity among the club thrill seekers. Safety and fun is combined to create a truly off-the-wall club!

## C.S.F.

C.S.F. stands for the California Scholarship Federation. The membership of this club is based on a point system with a certain number of points given to the students for each letter grade they receive. Due to difficulties with the photography, we were unable to obtain a picture of the club members. We tried on three different occasions to no avail. The film was either stolen or destroyed. Sorry C.S.FERS!

We would like to list the names of the wonderful, dedicated students who made this club possible. Keep up the good work!

To earn money this year the French Club did a number of activities. Coffee was sold at open house and cookies were baked and ornaments were made for the Winterfest.

A turkey raffle was held and the outcome was quite successful. The drawing was held at Winterfest and the winner was Mike Messner.

The club took two evening trips for dinner at two FRENCH RESTAURANTS, one in Danville and the other in Walnut Creek. A pot luck dinner was also held in November.

The French Club members went to a concert in Berkeley that starred French mime artist Marcel Marceau and they went to dinner at a French restaurant before the concert.

The journalism class worked very hard, all year long, to distribute their issues of the "GRIZZLY". Among the many problems faced by the staff were such things as locating people for in-depth interviews, gathering information, and writing up stories before the hectic deadlines. Many students spent long hours after school putting the newspaper together and running it down to the printers, so that the papers could be distributed on time. It was tough, but it was also lots of fun, and when it was all over, the "GRIZZLY" staff had a newspaper that they could be proud of.

The Student Rights Committee was started two years ago at Cal. High. Its purpose is to inform people about their rights and responsibilities while they are in school and to promote change within the system. This past year our S.R.C. has been very busy. They published a newsletter to make people aware of their rights and responsibilities. Also, they have been selling a Student Rights Handbook and have been working with the Student Council.

# ***EXECUTIVE INTERNSHIP***

The Executive Internship this year was a great success on the account that many people tried out for it. If you ask any of the following people how they liked it, I'm sure that they would tell you that it was a great experience.

Corrine Maxner was Interning at Mt. Diablo Hospital.

Torie Clark Interned at the Hyatt Regency and met many celebrities.

Wendy Hayward Interned at the District Attorney's Office.

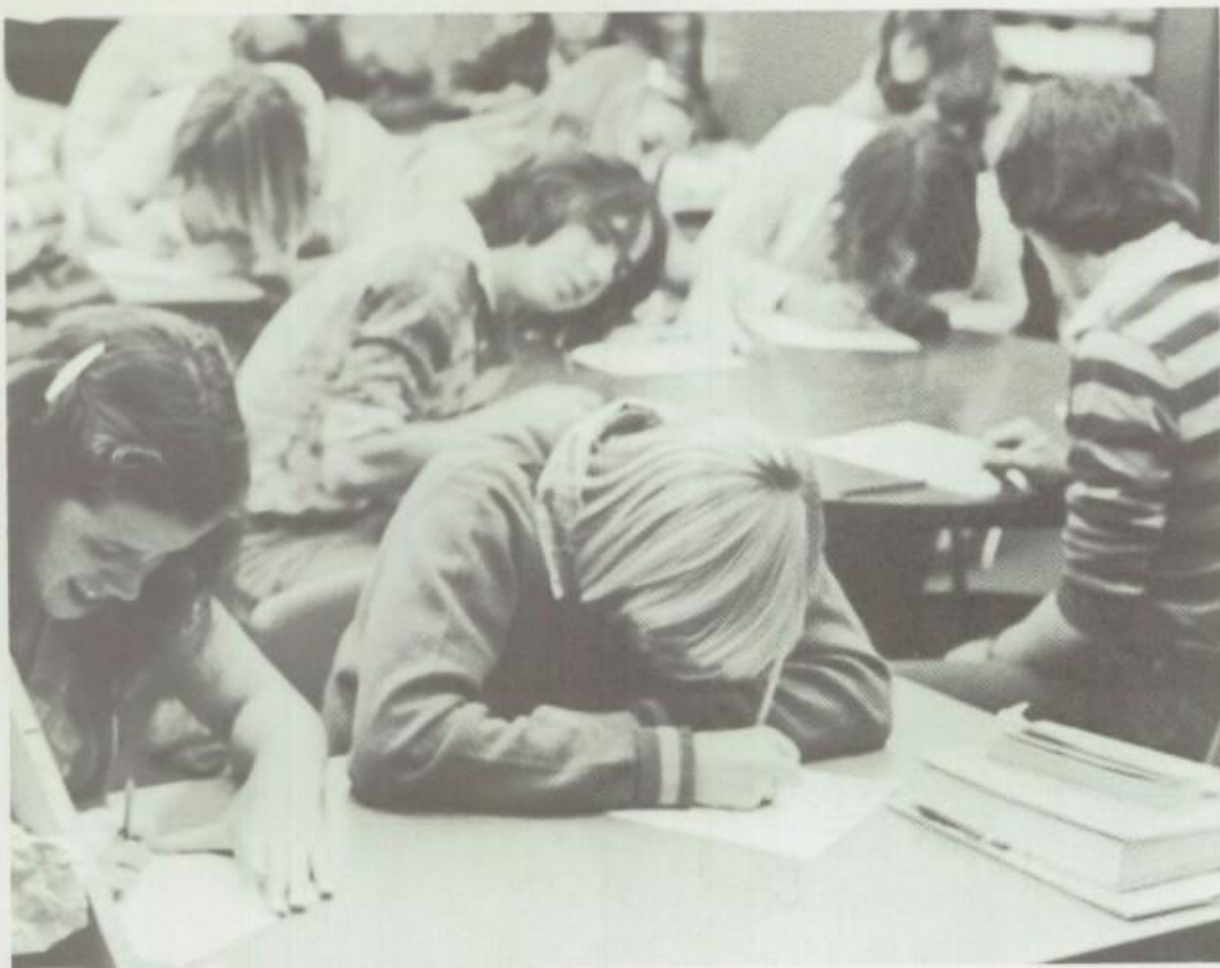

Cathy Calahane Interned at the Concord Pavillion.

Venetta Aguilar Interned at the Head Start program

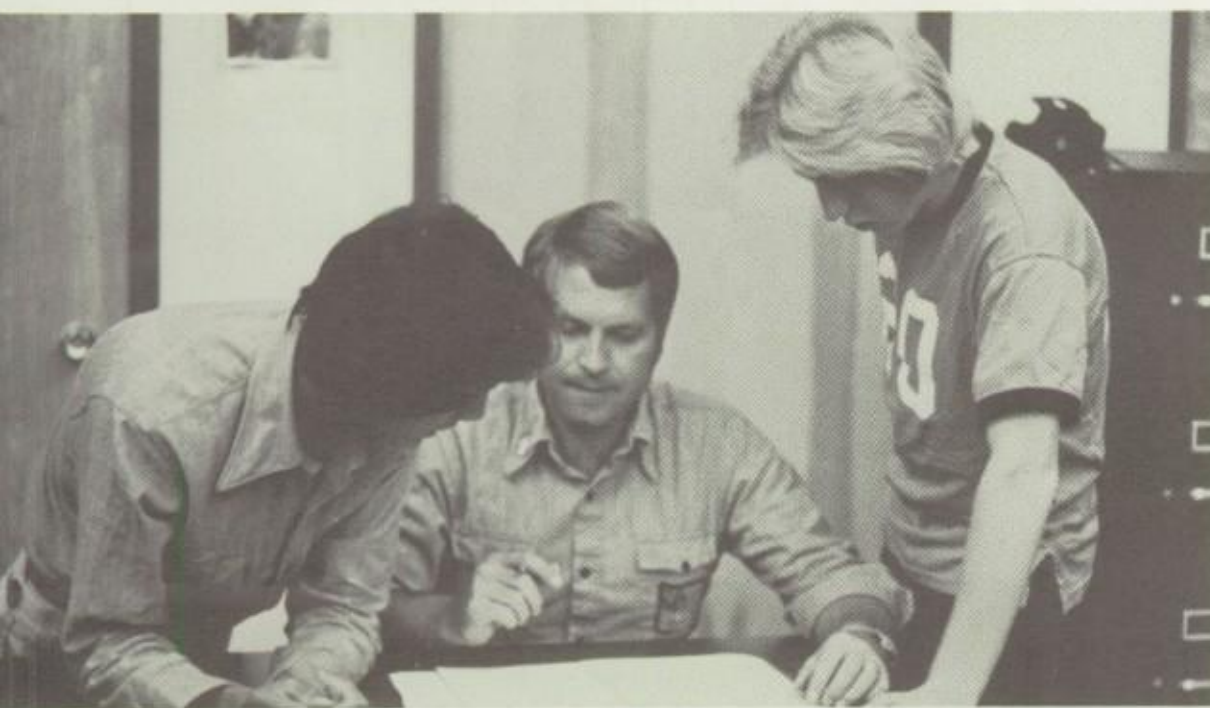

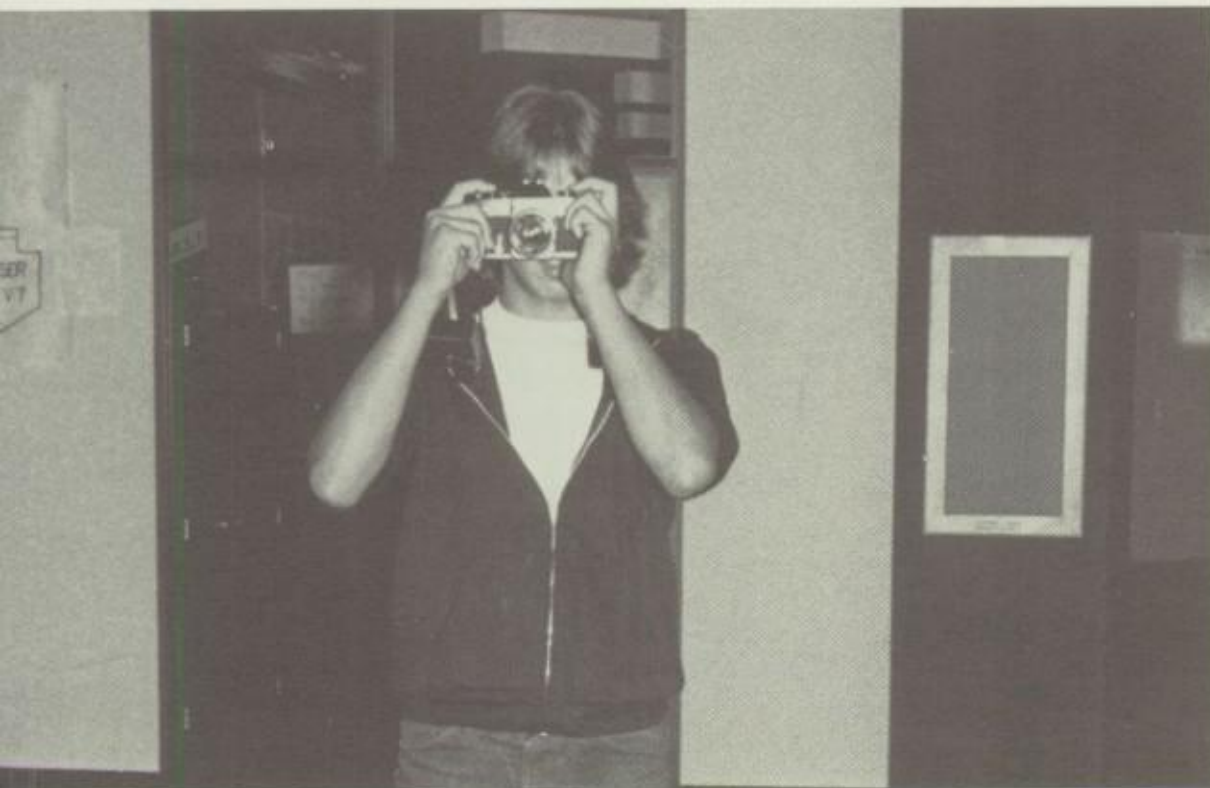

Gretchen Haas Interned at the Nutrition Project.

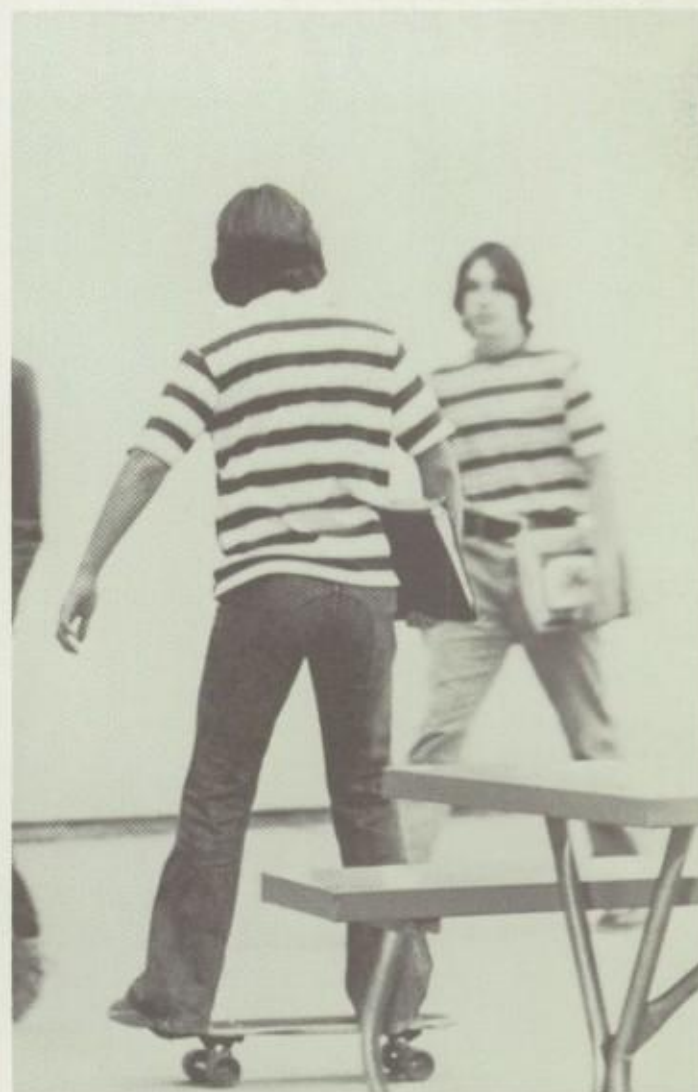

The students and teachers at California High have a warm friendly relationship. The students seem eager to learn and the classes are interesting for most.

Dear Ann:

I'm glad I got to know you this year. You're super nice, and a good friend.

Your Friend,

Chad

The Yearbook Staff especially thanks Don Diers, Steve Levy, and Mr. Ferrera for their photographic help. Mr. Rhoades and his art class for their illustrations.

Mr. and Mrs. Halpin for letting us use their Studebaker for our yearbook page.

Mrs. Shipley for her concern and moral support, and all the understanding teachers who let us out of classes to meet our deadlines.

Ann,

I'm glad we're better friends this year. I know we always will be. Please keep in touch over the summer. Tina and me will come over. okay?

Have a great summer even if Tom won't be here to share it, but I think that he still likes you and I know that you like him "alot".

I love always yours  
Janet

## Days Gone By

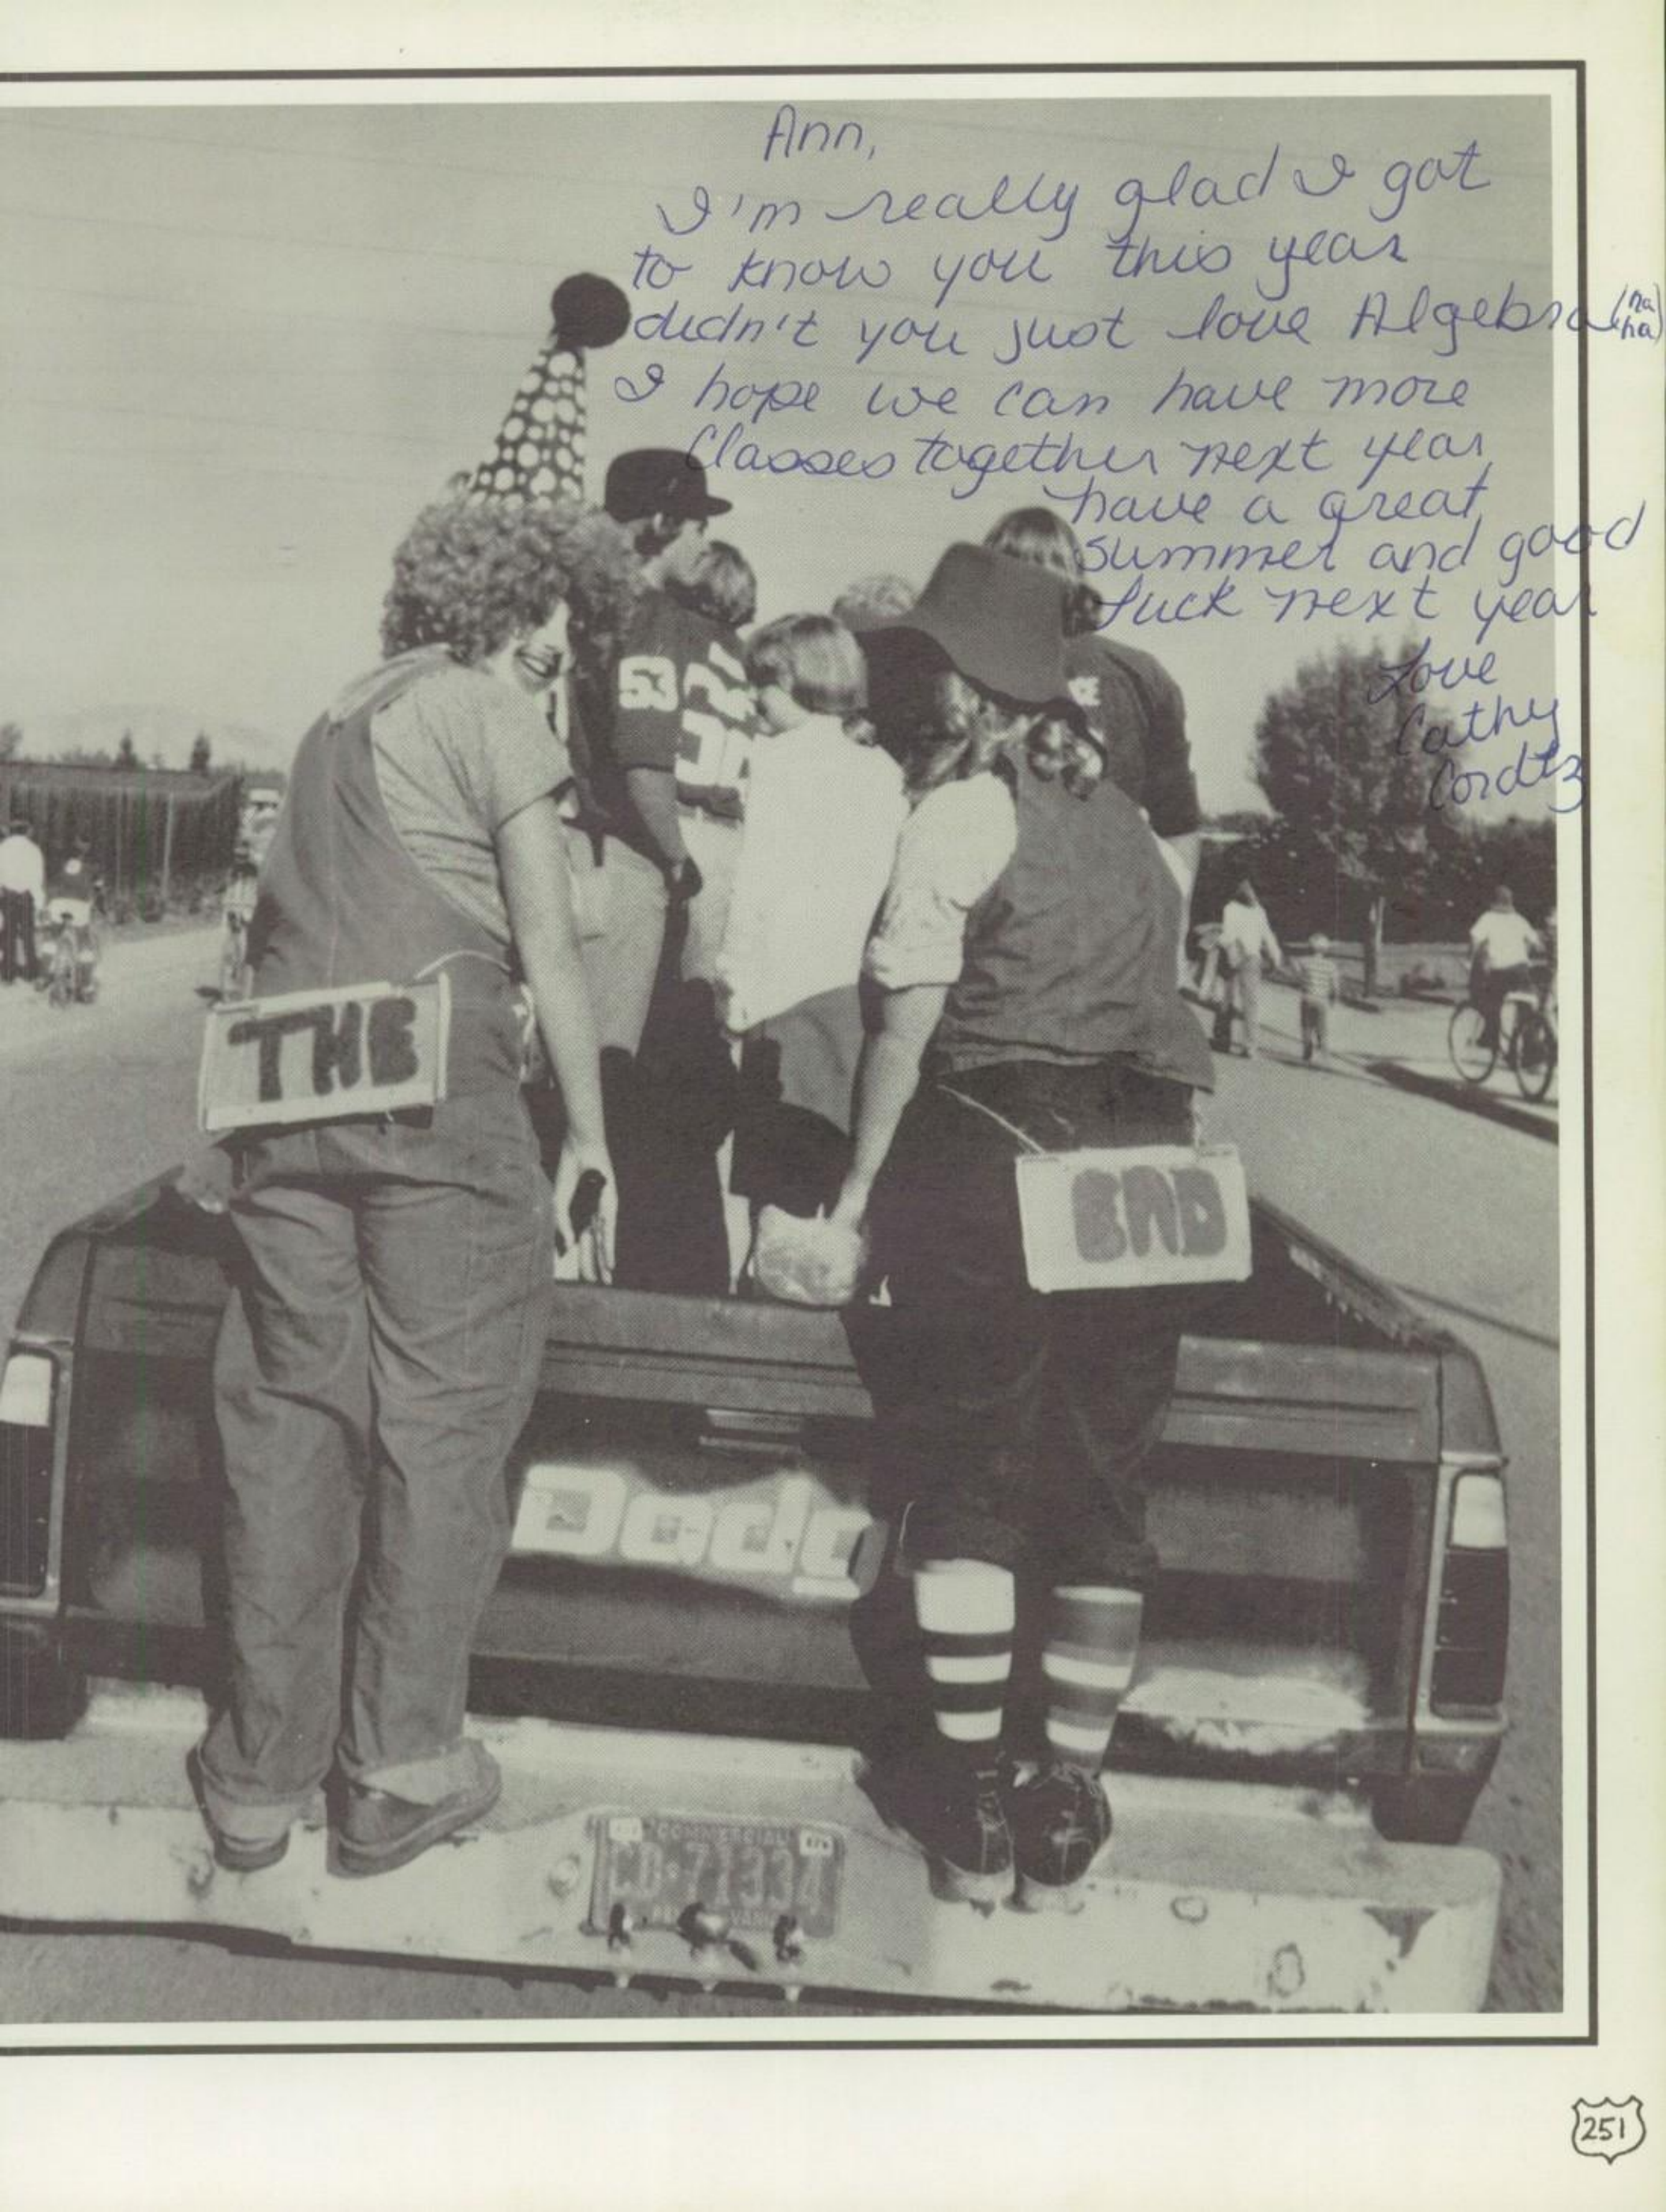

*We have just begun. We should feel the part that we're leaving behind. We have just begun on the deed that has done to us all the favors. Think of the time we must go out and find, everything we're leaving behind. Soon we shall look back on the past experience or remembrance. Soon we shall look back one by one, and we're finding all the answers. We are thinking of times going by. Wait 'till tomorrow, think of today, think of the days gone by. In the end we will see how much of the past we have already missed. In the end we will see, hoping for another chance to hold on to forever. Think of the time we must go out and find everything, we are leaving behind, and we are thinking of time going by, and we are thinking of times gone by . . . gone by . . .*

*Lyrics by, Joe Walsh AWW,*

*It's been fun knowing you and I hope to get ~~you~~ to know you better. You're a great state girl and I hope to see you next year on the football field. Have a great summer.*

*Love, Ken*
